Be here in the now, in the present, because the present is a present (gift) which has been previously (pre-) sent for a moment such as this. (You realizing each moment is a gift sent and living as if each day is a gift.)

“I am Alpha and Omega, the beginning and the ending, saith the Lord, which is, and which was, and which is to come, the Almighty.”

REVELATION 1:8 (KJ)

Mystery of Now – 1. This present moment. The mystery of being here now. This is what the Lord gave me this morning. You may have heard the expression: Be here now. This is the importance of this phrase and it runs parallel with the scripture: **“Take therefore no thought for the morrow: for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof.” Matthew 6:34 (KJ)**

Here is the **Giant Spiritual Key**: God occupies the NOW. When Father God does something, it is always in the now. When someone gets in the spirit, it happens in the now. When you pray, you pray now. “Oh, you say, I will pray tomorrow.” Sure you will in thought and communication, but in reality, when you pray on that morrow, you will be praying that day, that moment will happen for you in the “now.” “What are you talking about?” is the question, “and what does that have to do with God, my prayer life, my spiritual development?” Being on accord. **“And by the hands of the**

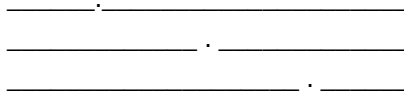

apostles were many signs and wonders wrought among the people; (and they were all with one accord in Solomon's porch." Acts 5:12

Here goes. Hang on. Don't be shy. Look this information in the face. Be strong. Listen. Look at this single line intersected by a dot.

The dot on the line represent you; you right now—reading this. Tomorrow is the line before you. Yesterdays is the line behind you. Remember, you are the dot. For you to live, operate, exist in tomorrow, your dot has to move forward into tomorrow. Know this: tomorrow does not exist. Yesterday did exist and now is history, but yesterday is forever lost in the past. Yesterday is only a reflection when you look back at it from the now.

Moving into tomorrows from the now is impossible. You imagine, you suspend your disbelief by imagining the your dot moves along that time line like this example. Remember, the dot is you in the now.

Imagine Father God existing over all three lines in all moments of yesterday, today, and tomorrow; while we only exist in the now. (The dot is us, not the line.) We like to imagine that we are moving down a time line. No. We are the time line and the timeline is a dot. We create our time lines as we live. We create the time line as we complete each moment in time. We exist in the now. God is in the now and all time imaginable; He created time for us. **“Yea, before the day was I am he;...” Isaiah 43:13a; “Jesus said unto them, Verily, verily, I say unto you, Before Abraham was, I am.” John 8:58.**

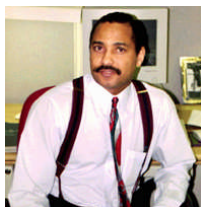

Giant Spiritual Key: When we pray we must pray, thinking that everything we ask for will come now, because tomorrow does not exist. If you pray, expecting something tomorrow, when tomorrow does not exist, then it will not come tomorrow. Why? Because tomorrow does not exist. “Well,” you say, “I have gotten things that I have prayed for. What about that?” That

is well and good. I bet there are things which you prayed for and did not get also, huh? I believe that once we get the understanding that “Time” was created by Father God for us and our existence, and that we can only exist in one moment at a time and that moment is called NOW.

So when you pray for something to happen, do not think, nor pray, nor imagine, nor contemplate, nor wish, nor wonder, nor emanate for things to happen in the future, sure hope for the future, pray for the future, plan for the future, but it must be with the understanding that you are standing in the future. Your future is now. You are standing in your future. You make your future each moment you live and exist. This is why your choices are so important.

Your prayers and imaginations, especially your spiritual imaginations, spiritual emanations, and prayers in the spirit must be directed towards Jerusalem. Concerning time, concerning now, end your prayers with “LET IT HAPPEN NOW.” You see, when the NOW moment happens, what you have prayed for will be happening at that moment... in the now. Be ready for it. Pray and live in the now... your present, is your Present from your Father in Heaven waiting for you to open like its your birthday.

PRAY IN THE NOW; EXPECT IN THE NOW
